### What is the Mid-Atlantic HTE Users Group Conference???

Calling all SunGard HTE users in  
NC~SC~TN~VA~KY~  
MD~WV !!

This is a great training opportunity for all users beginning, intermediate, and directors! If you need questions answered, a new way to do something, or want to know how someone else handles a situation...this is the place to be! Ask another fellow user! Ask a trainer! Interaction with other users will help you tremendously!

## Presidential News and Notes

Hello everyone! First of all, THANKS!! We had another great conference at Greensboro, NC this year! We had 294 attendees representing 47 organizations! A special THANKS goes out to the SunGard HTE representatives and L & A Management Services for all the hard work and training during our conference! Judging by the attendance at Greensboro, this site seems to be a favorite! So.....mark your calendars...we have the dates slated for our future conferences in 2007 & 2008!

We appreciate all the evaluations turned in at the conference. All comments and concerns for sessions and training were noted for improvement for upcoming conferences. Your input is valued and helps us plan a better future conference!

We have had some changes on the Mid-Atlantic Board of Directors. Glenn Ashe stepped down as Secretary. The Board elected to move Denise Altman, County of Orangeburg, into the position from Member-at-Large, and Crystal Handy, Town of Blacksburg, took the Member-at-Large position. Both ladies will be a great asset to our Board and we look forward to their hard work and efforts to help make the conferences worthwhile!

If you have any questions or comments to our Board, please feel free to contact anyone in our group. Remember...these conferences are for you!

Sincerely,  
Sandy Reece, President MAHUG
