User-Led Sessions

Interested in leading your own session in a specific application?

If you have a special talent in CX, LX, Crimes, GMBA, etc..., you can tell others!

If you would like to lead a round table discussion about a specific concern, let us know! A SunGard Public Sector staff member could be present to help! Please contact Denise Altman if you would like to volunteer! daltman@orangeburgcounty.org or by phone 803-533-6119.

Deadline for sign-up is February 16, 2009.

Happy New Year to all fellow Mid-Atlantic users! Our annual conference is just around the corner and we anticipate it being the best conference yet! That's right! New courses will be offered, so keep your eyes out for the agenda once it is posted online. A *few* of the courses are: Introduction to CAD400 Functions and Features, Common Mistakes Made in OSSI MFR, Dynamic Searching in OSSI CAD, Searching and Reports in OSSI RMS, Payroll 101; Back to Basics of Employee Information Management, Work Orders/Facilities Managements Demand Reports, Grant Administration from Checklists to Spreadsheets, Contract Management from Chaos to Control, Click2Gov Applicants: What is it and How Does it Work?, DMS.Net Setup and Overview, and so many more! Remember that our regional conference is probably the most INEXPENSIVE and informative conference you will ever have the opportunity to attend, so be sure to register and have your co-workers register now. This year's conference is the perfect time to have that new employee, or that employee who just received a promotion, attend so they can learn the applications they will be using each day. Who has time at work to train a new employee thoroughly? Not me! So please take advantage of this frugal opportunity for the SunGard Public Sector staff to educate us on what matters the most at our jobs...how to utilize the software in the most effective and efficient way. (So we can get paid, right?) Absolutely!

On behalf of the Mid-Atlantic Board of Directors, we hope you will join us this year for another great opportunity to network with your fellow users and make this the best regional conference yet! We will be giving away door prizes, and there will be plenty of things there to do *on-site* with restaurants, lounges, dance club at the hotel, and the Four Seasons mall (which is enormous) right next door! With the addition of the OSSI users, we will be proposing a name change from Mid-Atlantic HTE Users Group (MAHUG) to Mid-Atlantic SunGard Users Group Association (MASUGA). All other regions have changed their names at their conferences and we are excited to go through this change.

Online registration is now open at www.huginc.org. If you have any questions, please feel free to contact me or any other board member below. We would love to hear from you and we look forward to seeing you on March 24 in Greensboro!

Travel safely! Denise Altman, President, MAHUG
