Hello everyone! It's that time of year again! Our annual Mid-Atlantic SUGA Conference for 2010 is just around the corner. Your MASUGA Board of Directors and L& A Management staff have started planning the upcoming conference agenda and activities. Our 2010 conference will again be held in Greensboro, NC at the Sheraton Greensboro Joseph Koury Conference Center February 9th through 12th. This year promises to be another excellent conference with informative training sessions presented by the SunGard Public Sector staff. We hope you'll take full advantage of all the training sessions and labs offered to you by the staff of SunGard PS. After reviewing comments and evaluations from last year's conference, we've worked hard to improve the quality and content of your annual Regional User's Group meeting. These conferences are also an excellent opportunity to network with other users as well as SunGard PS trainers. Take advantage!! Also, we are looking for User-Led Session volunteers! If you have a specialty in an application, share your knowledge!

The Board of Directors will be having elections this year. There are several positions available such as President-Elect, Secretary, and (Board appointed) Member-at-Large. Please consider submitting your name for a position and join the team for planning future conferences! We are looking forward to seeing all of you NaviLine and OSSI customers there! Contact a Board Member with any questions.

See You Soon,

Crystal Handy
