### Message from your President Elect

All of us on the Board look forward to seeing you at the 2009 West SUGA Conference. This year's conference is being held at the Disneyland Hotel and should make for a magical learning experience. We have been busy finalizing plans and making sure everything is just right for all who attend. The West SUGA Conference is designed to provide training to enhance knowledge and experience at all levels. This is a time that SunGard Public Sector staff and clients can get together in a networking environment to share their thoughts, experiences, and ideas.

Don't miss out on your opportunity to be a part of the planning for next year's conference. The positions of President Elect and Secretary will be up for election at the conference this year. If you are interested in being a part of the West SUGA board, please contact any board member for information.
