MARCH 2010

## Message from the President

THANK YOU - THANK YOU - THANK YOU - for attending the 2009 West SUGA Conference in Anaheim. It was good to see old friends, meet new ones and even miss the ones that did not make it this year. Pluto and all his friends walking around made the learning experience even more magical.

With starting the New Year, please consider attending the 2010 West SUGA Conference in Burlingame. With our number of attendees hitting an all time low, we really need to make this years conference a smashing hit with attendance. Again I stress, without YOU there would be no more conferences.

Sincerely,

Pamela Gilbert  
President, West SUGA
